End of Eden S. L. Jennings, 2017-02-26 I thought I knew what Hell was like. I thought I had been living it all these years on Earth-abandoned, forgotten, and left with a dangerous secret that not only made me the Se7en's #1 target but also turned me into a deadly weapon, a threat to every human in my path. I was wrong. In order to survive Lucifer's plans for me, and his unquenchable thirst for more power, I have to surrender my humanity. I have to lose a part of myself in order to find my way back to him. Back to the demon who saved me, only to break me. Back to Legion. But even supreme evil has its limits, and the real foes never show their devastatingly beautiful faces. Forget fire and brimstone. They aren't shit compared to what's coming. Centuries-old bonds will be broken. Unlikely alliances will be forged. And innocent blood will be spilled. Blood that will stain my hands for the rest of my mortal days. I thought I knew what Hell was like. I was wrong. Hell is coming. Hell is just the beginning.

**Born Sinner** S. L. Jennings, 2016-08-09 Twenty-two years ago, I was cut from a cold, sodden womb, and cradled in the filth and poverty of Chicago's concrete arms. Statistically, I wasn't supposed to survive these streets past the age of eighteen. Fate had a different plan. I was bred for one purpose and one purpose only: to unleash death and destruction on my world. My thoughts are power. My words are weapons. Evil created me then grace tried to save me. But first... they tried to kill me. They call themselves the Se7en. They are sin and salvation, and everything we've feared from the beginning of time. And their leader is the deadliest of them all. He doesn't lose. He doesn't compromise. And most importantly, he doesn't distract himself with mortal weakness. Not until me. Kill one to save a million. That's what he told me when he took me as his prisoner. Kill one to save a million. That's what he's been trying to tell himself ever since he took me into his arms.

**Double-edged** Nyla K, 2022-08-01 What's an honest man to do? Isn't that always the question we find ourselves wondering when we get swept up in something bad... Something overpowering and tangibly wrong, with the ability to corrupt our morals down to the core? These boys, they're not mine, but they might as well be. I'm responsible for them, in a sense. And they couldn't be more different, identical in looks alone. One I've noticed... The other has noticed me. One needs me, the other needs him. Sometimes a hero will fall on his own sword, but in my case... I've fallen on two. \*\* Double-edged is a full-length taboo standalone novel that is intended for mature readers only. Some of the themes in this book could make readers uncomfortable. Please proceed with caution, and heed the author's warnings.\*\*

**Sophie's World** Jostein Gaarder,2010-07-15 The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

The Color Purple (Movie Tie-In) Alice Walker,2023-12-05 Read the original inspiration for the new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. Celebrating its fortieth anniversary, The Color Purple writes a message of healing, forgiveness, self-discovery, and sisterhood to a new generation of readers. An inspiration to authors who continue to give voice to the multidimensionality of Black women's stories, including Tayari Jones, Honorée Fanonne Jeffers, Jesmyn Ward, and more, The Color Purple remains an essential read in conversation with storytellers today. A powerful cultural touchstone of modern American literature, The Color Purple depicts the lives of African American women in early-twentieth-century rural Georgia. Separated as girls, sisters Celie and Nettie sustain their loyalty to and hope in each other across time, distance, and silence. Through a series of letters spanning nearly thirty years, first from Celie to God, then from the sisters to each other, the novel draws readers into a rich and memorable portrayal of Black women—their pain and struggle, companionship and growth, resilience and bravery. Deeply compassionate and beautifully imagined, The Color Purple breaks the silence around domestic and sexual abuse, and carries readers on an epic and spirit-affirming journey toward transformation, redemption, and love.

**Wicked Ruin** S. L. Jennings,2017-09-27 The captivating third installment of the Seven Sinners Series by New York

Times Bestselling author, S.L. Jennings. They say you're never truly ready for Death until it's staring you down, its cold, bony fingers outstretched and scratching against your fragile mortality. I thought I was ready the day my own mother tried to kill me. Perhaps I was ready the moment I was born. But as I peer into the chilling void of Death, breath shallow and heartbeat sluggish, I know that it can't end like this. I was made for a purpose. And that purpose is Legion. Now that we're fighting the battle of our lives, a war that could eliminate mankind, I see that purpose as clear as the whorls of dark ink etched in his skin. Realms are colliding. Alliances are forming. And my heart is being torn in two. I know the code the Se7en live by. Kill one to save a million. But maybe it's not me who was meant to die. Maybe it's the man I thought I could save...the man who once saved me. The man I was created to kill.

**The Sibylline Oracles** Milton S. Terry, 2012 This is the extended and annotated edition including \* an extensive annotation of almost 10,000 words about the oracles in religion \* an interactive table-of-contents \* perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods. The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

**Brothers, We are Not Professionals** John Piper, 2013 John Piper pleads with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry.

Angels and Demons in Art Rosa Giorgi, 2005 This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art

enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

**The Well of Loneliness** Radclyffe Hall, 2015-04-24 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

*The Old Man And The Sea* Ernest Hemingway, 2012-02-14 Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an end, he sets off alone, far into the Gulf Stream, to fish. Santiago's faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to pull it in and finds himself being pulled by the giant fish for two days and two nights.
