The Dream House Craig Higginson,2016-04-01 A farmhouse is being reproduced a dozen times, with slight variations, throughout a valley. Three small graves have been dug in the front garden, the middle one lying empty. A woman in a wheelchair sorts through boxes while her husband clammers around the old demolished buildings, wondering where the animals have gone. A young woman - called 'the barren one' behind her back - dreams of love, while an ageing headmaster contemplates the end of his life. At the entrance to the long dirt driveway, a car appears and pauses - pointed towards the house like a silver bullet, ticking with heat. So begins *The Dream House*, Craig Higginson's riveting and unforgettable novel set in the Midlands of KwaZulu-Natal. Written with dark wit, a stark poetic style and extraordinary tenderness, this is a story about the state of a nation and a deep meditation on memory, ageing, meaning, family, love and loss. This updated 2016 edition contains new content, with Craig Higginson exploring the background to *The Dream House*, his varied experiences in a farmhouse in KwaZulu-Natal and the subsequent and poignant motivations for this moving novel.

Absolution Patrick Flanery,2012-03-27 In this stunning literary debut, Patrick Flanery delivers a devastating and intimate portrait of post-apartheid South Africa, and the perils of taking sides when the sides are changing around you. Told in shifting perspectives, *Absolution* is centred on the mysterious character of Clare Wald, a controversial writer of great fame, haunted by the memories of a sister she fears she betrayed to her death and a daughter she fears she abandoned. Clare comes to learn that in this conflict the dead do not stay buried, and the missing return in other forms--such as the small child present in her daughter's last days who has reappeared, posing as Clare's official biographer. Sam Leroux, a South African expatriate returning to Cape Town after many years in New York, gradually earns Clare's trust, his own ghosts emerging from the histories that he and Clare begin to unravel, leading them both along a path in search of reconciliation and forgiveness.

An African Elegy Ben Okri,2015-04-30 Dreams are the currency of Okri's writing, particularly in this first book of poems, *An African Elegy*, but also in his books of short stories and prize-winning novel *The Famished Road*. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending' - Giles Foden, *Times Literary Supplement*

Mother to Mother Sindiwe Magona, 2022-08-23 A searing novel, told in letter form, that explores the South African legacy of apartheid through the lens of a woman whose Black son has just murdered a white woman. *Mother to Mother* is a novel with depth, at once an emotional plea for compassion and understanding, and a sharp look at the impacts of colonialism and apartheid on South African families. Inspired by the true story of Fulbright scholar Amy Biehl's murder, the book takes the form of a letter to the victim's mother. The murderer's mother, Mandisa, speaks of a life marked by oppression and injustice. Through her writing, Mandisa reveals a colonized society that not only allowed but perpetuated violence against women and impoverished Black South Africans under the reign of apartheid. This book is not an apology for the murder but rather something more. It seeks to connect, through empathy and storytelling, one pained mother with another who is grief-stricken and in mourning. A beautifully written exploration of the society that bred such violence, *Mother to Mother* will resonate with readers interested in understanding and ending racial injustice, as well as the lasting colonial foundations of oppression.

The Beneficiaries Sarah Penny, 2012-09-28 It is 1998. The South African Truth and Reconciliation Commission is trying to make sense of over thirty years of human rights violations. In London, Lally, a white South African émigré, goes to dinner with Pim - a long-forgotten childhood friend - and his latterday English family. For Lally, adult existence has by choice remained transient, uprooted; a life of little consequence estranged from its own origins. But it is becoming clear that history will reach out, even to the inconsequential, and for Lally to seek out the truths of the child she must breach the hermetic safety of adult refuge. Moving between contemporary London and the rural South Africa of twenty years earlier, *The Beneficiaries* traces both the young woman's search for knowledge and self in a society that disallows individuality and the older woman's journey beyond apathy and disillusionment towards the renewal of vitality and hope. Exploring the shifting relations between memory, forgetting and denial, when the truth comes in many versions, and the inexorability of memory as the most merciless personal truth, *The Beneficiaries* is ultimately about the possibility of healing, in a nation and a human soul.

When I Heard the Learn'd Astronomer Walt Whitman, 2004-11-01 Leave time for wonder. Walt Whitman's *When I Heard the Learn'd Astronomer* is an enduring celebration of the imagination. Here, Whitman's wise words are beautifully recast by New York Times #1 best-selling illustrator Loren Long to tell the story of a boy's fascination with the heavens. Toy rocket in hand, the boy finds himself in a crowded, stuffy lecture hall. At first he is amazed by the charts and the figures. But when he finds himself overwhelmed by the pontifications of an academic, he retreats to the great outdoors and does something as universal as the stars themselves... he dreams.

Tsotsi Athol Fugard, 2009-09-25 Tsotsi is an angry young gang leader in the South African township of Sophiatown. A man without a past, he exists only to kill and steal. But one night, in a moonlit grove of bluegum trees, a woman he attempts to rape forces a shoebox into his arms. The box contains a baby, and his life is inexorably changed. He begins to remember his childhood, to rediscover himself and his capacity for love. Turned into an Oscar-winning movie in 2006, Tsotsi's raw power and rare humanity show how decency and compassion can survive against the odds.
