[131 Dirty Talk Examples](#) Elizabeth Cramer,2015-03-01 Are you one of those people who want to spice up their love life with the addition of dirty talk, longing to hear certain words or phrases whispered, moaned, growled, or simply uttered but just plain don't know how to get started? The first thing to understand is that dirty talk isn't dirty. There's nothing shameful or wrong about it. Men and women are hard-wired differently. Men like to hear, while women like to visualize, and that's completely natural too. A man wants to hear what their partner wants done to them, or wants to do for them before it's done. Hearing the words, screamed, moaned, whimpered, or whispered just flat out does it for most men. Women like to hear the words and imagine what those words or phrases will mean to them, how their partner will react, or how something will feel, even seconds or milliseconds beforehand, giving their brains time to process the possibilities, thus heightening the sensations. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during & after love making. Both for-man & for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable & sound confident when you say them. Using correctly they will make your lover addicted to your voice & drive him/her wild in bed.
