The Single Girl's To-Do List Lindsey Kelk,2011 A hilarious and romantic standalone novel from the bestselling author of the I Heart series Meet Rachel Summers: a twenty-something make-up artist whose life is very much going to plan. She has a job she loves, a lovely long-term boyfriend, a great flat in north London and some fabulous friends. The next phase in her masterplan is to buy a house, have a baby, move to a bigger house, have another baby, get a 4x4. Simple. Well, not quite as Simon, Rachel's boyfriend, suddenly decides that they should take a break. Rachel's convinced it's just a three-year itch but, four months later, they are still living under the same roof but sleeping in separate bedrooms. It's time for an intervention as Emilie and Matthew, Rachel's best friends, can no longer bear to watch Rachel suffer anymore. As they try to convince her to move out and move on, they come up with the ultimate break-up cure -- the single girl's to-do list. A list of all the things Rachel should see and do in her newly single life. But nothing could have prepared them for the hilarious adventures that are about to unfold as the to-do list takes them around London and abroad, and proves to them all that love is out there if you're willing to take a chance on it!

One More Day Emma Heatherington,2022-04-14 When everything is lost, can their love survive?

Lease on Love Falon Ballard,2022-02-01 Sadie wasn't looking for love until it landed on her doorstep. After getting passed over for an overdue—and much-needed—promotion, Sadie Green is in desperate need of three things: a stiff drink, a

new place to live, and a one-night stand. But when an accidental mix-up lands her on the doorstep of Jack Thomas's gorgeous Brooklyn brownstone, it's too bad Sadie is more attracted to the impressive real estate than she is to the man himself. Jack, still grieving the unexpected death of his parents, has learned to find comfort in video games and movie marathons instead of friends. So while he doesn't know just what to make of the vivaciously verbose Sadie, he's willing to offer her his spare bedroom while she gets back on her feet. And with the rent unbeatably low, Sadie can finally pursue her floristry side hustle full-time. The two are polar opposites, but as Sadie's presence begins to turn the brownstone into a home, they both start to realize they may have just made the deal of a lifetime.

A Deal with the Devil ELIZABETH. O'ROARK, 2023-10-26 A temp assistant and the British boss she loves to hate . . . The Devils series is a sexy blend of spice, romance and grumpy men. Prepare to laugh, swoon and cry . . . perfect for fans of Christina Lauren and Emma Chase. He might not be the devil, but working under him for six weeks is my idea of hell. Hayes Flynn is an arrogant jerk known best for his scotch habit and the way he spreads his British charm all over Hollywood, never with the same woman twice. He's the last person I want to work for, except he has a face I can't look away from, and the longer we're together, the harder he is to hate. Because under that smug exterior is a heart he doesn't want to show-one that was badly broken a decade earlier. A part of me wants to fix it for him before I leave...but can I do it without breaking my own in the process?

Scarlett Fever Maureen Johnson, 2014-07-03 A hilarious and heartfelt New York comedy from a crowned Queen of Teen Quite a bit has changed for Scarlett Martin over the last month. Mrs Amberson has moved down the street and opened the Amy Amberson Agency (AAA, frequently called by stranded motorists), and she's taken on Scarlett as her official assistant. Marlene seems to have had a personality transplant (she's being nice, for once), Spencer has accidentally become public enemy number one (his character murdered another very popular one on a hit show), and there is definitely something wrong with Lola. And as for Scarlett's love life? Well ... the less said about that the better. That would be enough for anyone to deal with, but unfortunately two new figures are about to enter Scarlett's life: fifteen-year-old Broadway star Chelsea Biggs and her brother Max. Suddenly, drama appears to have spread over all of New York City. Gossip pages, boys standing in trashcans, an ill-fated cake, murder on the steps of a courthouse, flying doughnuts, topiary abuse, a dog named Murray who wees whenever he sees hats ... and then an event that will change the Martin family forever. One thing is for sure: there's never a dull moment at the Hopewell Hotel.
