Michael C. Donaldson

Assholes Forever Xavier Crement,1991-10 The immense popularity of Dr. Crement's first book, *A**hole No More*, has led him to write a sequel on the subject, *A**holes Forever*. In this new book, Dr. Crement examines those sad cases in which the disease of assholism has become so severe that there is seemingly no cure for it. These are people who have chosen to be assholes forever. Dr. Crement laments that even though the cure for assholism is now well known -- thanks to *A**hole No More* -- there are people who refuse to recognize their chronic assholism as a disease and seek help. Dr. Crement lists the types of people and groups most prone to being assholes forever, documenting the tricks they use to take advantage of everyone else -- and explains what to do to spot 'em and to stop 'em.

[Asshole No More](#) Xavier Crement,1990 Until recently, it was almost impossible to find anyone who would take the disease of assholism seriously. Compulsively rode treatment of others was viewed only as a character flaw, not as an addiction over which the asshole had no real control. Dr. Crement, who began his career in proctology but has since switched to psychiatry, corrects this glaring omission with this encyclopedic treatment of assholism. The book is written primarily as a self-help guide for recovering assholes -- people who have come to grips with their addiction and are trying to learn what it means to be a decent human being. But it also includes a thorough description of the causes of assholism and the terrible waste this menace creates.

The No Asshole Rule Robert I. Sutton,2007-02-22 The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy

you at work. What an asshole! How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes...and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own inner jerk from coming out The No Asshole Rule is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.
