**Zen and the Art of Faking It** Jordan Sonnenblick, 2010-02-01 From masterfully funny and poignant Jordan Sonnenblick, a story that will have everyone searching for their inner Zen. Meet San Lee, a (sort of) innocent teenager, who moves against his will to a new town. Things get interesting when he (sort of) invents a new past for himself, which makes him incredibly popular. In fact, his whole school starts to (sort of) worship him, just because he (sort of) accidentally gave the impression that he's a reincarnated mystic. When things start to unravel, San needs to find some real wisdom in a hurry. Can he patch things up with his family, save himself from bodily harm, stop being an outcast, and maybe even get the girl?

**I Am Life** Elisabeth Helland Larsen, 2017-08-17 Life is in all things; personified as an unassuming yet enchanting creature, Life visits flowers, animals, and humans with her gifts of energy and positivity. A pink-winged creature flies across each page; Life is present within all things. The pastel-colored protagonist befriends and animates every living being from bees that pollinate spring flowers to turtles that live under the sea to grandparents who impart wise words. Whether short or long, Life is always present. A sensitive story that answers many childhood questions, I am Life is the lovingly crafted complementary volume to Life and I, a Little Gestalten favorite. As Life and I addressed themes of loss, I am Life embarks on

a colorful journey about Life's magic and the never-ending search for the meaning of life.

**The Night of Rome** Giancarlo De Cataldo,Carlo Bonini,2018-09-20 In the night of Rome, nothing is what it seems. It's all change in Rome. The new Pope, determined to bring radical reform to the Vatican, proclaims an extraordinary Jubilee year of Mercy. A new centre-left government replaces its disgraced predecessor, and sets about to rejuvenate the language of politics. And with crime lynchpin Samurai in jail, his protégé Sebastiano Laurenti attempts to establish himself as his designated successor. But he must reckon not only with a new generation of enterprising gangsters and racketeers—out to carve for themselves a slice of the profits and opportunities offered by the major public works planned for the Jubilee—but also with ambitious newly elected politician Chiara Visoni, and his own heart. Betrayals, alliances forged and broken, ambushes and infighting will inevitably alter the fragile political balance. As the sharks circle and the street-dogs fight, some tenuous hope endures, in the unlikely alliance of an incorruptible politician of the old left, all but forgotten, and a young bishop who refuses to play the Vatican's power games. But it remains to be seen whether the long night of Rome can make room for redemption. Sharp and fast-paced, dark and taut, The Night of Rome is fiction that sails dangerously close to the wind of current events.
